

## 2018 Texas Anglers Charity Classic

Joint inshore fishing tournament between  
NOV & Transocean benefiting local charities

We would like to extend a huge thank you to all of our participants, volunteers, sponsors, & donors in the 2018 tournament. Without your support, none of this would have been possible.

For our 2018 tournament, two organizations that TACC chose to benefit were United Way of Greater Houston and OATH, Inc.

For more than 95 years, United Way of Greater Houston has been a leader and trusted partner in improving lives, tackling key community social issues, and making a lasting difference. Last year, United Way of Greater Houston touched the lives of nearly 2 million of our neighbors in the Bay Area and in Fort Bend, Harris, Montgomery, and Waller counties. United Way focuses on strengthening our community by developing children and youth to their full potential, creating strong families and safe neighborhoods, sustaining senior independence and rebuilding people's lives in times of crisis.

Outdoor Association for True Heroes, Incorporated, or OATH, Inc., is a faith based Nonprofit Organization established in January 2014, that utilizes various outdoors activities centered around Faith, Family, and Community to improve the quality of life of our eligible veterans. OATH Currently has 184 registered veterans across 6 state chapters in Texas, Utah, Indiana, Idaho, New York and Louisiana and this number is constantly growing with a New Mexico Chapter recently coming online.

The Greater Houston area is home to more than 300,000 veterans, the second largest veteran population in the United States.

## Texas Anglers Charity Classic Hooks Big Winners

Transocean and NOV worked together to organize the Texas Anglers Charity Classic Tournament April 28 at Lake Como in Galveston. Beautiful weather, a great marina location, the steel drums of Ray's Island Sounds, a southern fried fish dinner, and a fun crowd made for a festive afternoon of networking and fellowship.

We also held a raffle for numerous prizes that were given away throughout the evening. Prizes included items ranging from custom belts and rods to margarita kits and tumblers.

Our team is already planning for the 3rd Annual TACC on May 4, 2019. We'll be back at Waterman's Marina with a similar format, and we hope that you'll make plans to join us for another great day of fishing and fun for a great cause. This year the 2019 tournament will benefit 2 local veteran's charities – **Mission United** and **PTSD Foundation of America – Camp Hope**.

Veterans returning home from service often find the transition from a structured military regimen to a less structured civilian life extremely difficult. They struggle to find employment, navigate the hiring process, and re-engage in careers that give them a sense of purpose. Too many veterans returning to civilian life struggle to meet their most basic needs, like housing and health care. With **MISSION UNITED**, all it takes is one call for veterans, active duty military members, and their families to be connected with a dedicated case coordinator who will guide them through the process from beginning to end and find the resources to meet their unique needs.

**Camp Hope** provides interim housing for Wounded Warriors, veterans and their families suffering from combat related PTSD in a caring and positive environment. In addition to temporary housing, Camp Hope offers a 90+ day PTSD recovery program. Staff also assists veterans with a myriad of issues including job placement, coordination with the Department of Veteran's Affairs and reputable veteran service organizations to assist with claims and benefits, transportation to appointments and peer support groups integration. The Camp Hope community embraces our troops, veterans and their families as they seek the rewarding and fulfilling lives they so richly deserve.

# TEXAS SLAM Team Division

1<sup>st</sup> Marlin Services (21.18 lbs): Josh Ware, Jamison Ware, & Larry Odstrcil

2<sup>nd</sup> Bowdup TM (6.76 lbs): Rylee Tettleton, Mark Carey, & Bryan Pertrash
